It's 2019 and time to think about a Class Reunion. It's a time that some like to return and see old friends. The ACHS Alumni Association has tried to be the foundation to hold this concept together. It's not easy to find a common ground for a span of 80 years, but we try. We feel a group meal and a recognition meeting provides that bond. Then, the individual classes can do "their thing." For, that reason we have gone to a **Noon** meal/meeting, **May 25, 2019 at 11:30 AM**. Doors open at 10:30am.

Mail \$ 12.00/per person Patti Purvis Young x68, 101 E. 3rd St., Appleton City, MO 64724.

Deadline May 11, 2019. Include class year, maiden name, guest name. **At the Door** \$18.00 and will be served last. We need reservations to insure adequate food & seating with classmates. No Dress Code. (Postcards & Mail labels are available, let me know if you want them.)

The Business meeting is recognition of classes, awarding of 50-year pins to those attending, memorial service, and scholarship awards. Send obituary records to acmolampkin@yahoo.com

We would appreciate the class support of the alumni meeting. It helps have a stronger bond for the reunion, if the association meal/meeting is attended. For good attendance, classmates need to know early.

If your class is going to have other activities, if you let me know I will include them in the alumni newspaper articles. If you would like to use a classroom for a gathering after the alumni meeting, let me know and I will arrange for you to have a meeting place in the high school.

Bartz Photographic usually makes the rounds, if you are interested in him stopping by, again, let me know & I'll coordinate that with Len (660-679-6370). Len takes pictures in the gym at noon, which works well.

At the meeting and in your correspondence we would like the alumni to have the following information.

The Appleton City High School Alumni Scholarship Foundation, Inc. was formed in 2004. It is recognized by Missouri and the IRS as an incorporated not-for-profit 501 (c)(3) charitable organization allowing contributions to be tax deductible. Between 1987-2004, 6,950 was awarded, since the Foundation has been established we have awarded \$70,500. Because of the interest of the alumni this Foundation has been able to make this accomplishment in 15 years. 2019 we will award \$5,000 to five students.

The Scholarship Foundation has the capability to accept any type of donation – cash, life insurance beneficiaries, deferred annuity contracts, IRAs, 401K beneficiaries, stock shares, company matching fund programs, funeral memorials, RMD (70+yrs). I am coordinating the activities again, the committee has difficulty coming up with willing individuals. We have guidelines for interested alumni who will serve. Anyone interested let me know.

At some point, I would like an updated list of your class for the alumni records, including deaths.

Let me know, if I can assist with your reunion. Hope to see everyone at the Meeting. Thanks for your help.

Old Yearbooks and no one interested in them, I have a list of yearbooks missing from the museum, library and the vault at ACHS. Share them with the town.
